**Forfeit Rule:** 8:00 P.M. - If a team calls before 5:30, you are encouraged to reschedule that match, however, if the team didn't give you a "**courtesy call**" and doesn't show up by 8 P.M. - they pay for the match, don't put any money in the dart board just call the league office and make them aware of what happened.

**Format:** (6) games of 501 (freeze rule) & (7) games of Cricket

**Cost:** \$10 per player - team total of \$20 - \$15.25 goes into your paybacks and \$4.75 for the games

**Payback:** 100%

**No Darts:** October 31st, November 21st & December 26th

**Rescheduling:** Teams have 2 weeks to make up matches. If you are going to reschedule a match, please contact the team you are playing first, then call the league office with the rematch date.

**Paybacks:** Paybacks will be handed out at the End of Season Tournament.

**Rule Change:** Any dart stuck in the board will be properly registered, the dart boards have a backup option which will be used. If a thrown dart is stuck in the triple 16 and registers as a triple 8, the board will be backed up & the dart will be counted as a triple 16. Before backing up the machine make sure the captain on the other team is aware of what is going on. To "backup a dart" hit the up arrow.

**Tournament:** The End of Season Tournament will be held approximately 2 weeks after league ends if we choose to have a tourney. Paybacks will be handed out at the tournament or picked up at our office.
