- * **Mark your Wins with a 10 and Losses with a 0**. If playing with 3 players the 4th score becomes a dummy and is scored with a 3. Making the 8 on the break is a win, unless the cueball is pocketed as well, then it is a loss. Also if any part of an object ball is in the kitchen, the ball is considered to be in the kitchen.
- * **Schedules, Captain's list will be mass text to the Captain's Only**. Schedules can also be viewed on the darts.
